This year the season of the Holy Grail (Holy Tile) War has come again
H2O
T/N: THEY USE THE KANJI FOR HOLY MAHJONG TILE BUT THE FURIGANA FOR HOLY GRAIL
Today Senpai is being forced into another losing battle
SHIROU!
He's already dead thing, you fool
There's no way a human can beat a servant at mahjong
HOW DARE
I WILL NOT FOR-GIVE
But we believe
That Senpai and the others can triumph!
DON'T THINK THAT YOU ALL CAN GO HOME ALIVE!!
Saber-san... Is that really mahjong?
